Headquarters Army Northern Va.

CAVALRY OFFICE, July 22, 1864.

BRIG. GEN. RUFUS BARRINGER, COMMANDING Brigade of Cavalry, Army Northern Virginia, is hereby authorized to take possession of all cavalry, arms, equipments and accoutrements in the hands of civilians or other unauthorized persons in the State of North Carolina, which is satisfied that such arms, &c., are legitimately the property of the Confederate States. All arms, &c., dropped by our troops or the enemy on their lines of march, or on battle fields, or left or sold by officers or privates to persons not in the military service, are the property of the Confederate States. No person in the military service has a right to sell or otherwise dispose of arms &c., except when under the orders and regulations of the Ordnance Department.

Gen. Barringer will not delegate this authority to any one except commissioned officers of his own command, who will be furnished with a copy of this authority, and with instructions to furnish receipts to parties from whom arms, &c., are taken under its provisions.

By command of Gen. R. E. Lee.

(Signed) BRISCO G. BALDWIN,
Lieut. Colonel and Chief Ordnance Officer,
A. N. V.

Under this authority I desire especially to gather up the Cavalry saddles. These saddles were captured from the enemy. There can be no private property in them. Partisan Rangers and others have no right to sell them except to the government, which pays fixed prices for the same.

This brigade is much in need of good saddles. Many of them my boys are raising the horses' backs. The men are losing largely and the service suffering severely by these saddles being withheld from it, often abstracted by soldiers. I appeal to all patriots to come forward and voluntarily give them up to the officers and men of this brigade in their respective localities, who will receipt for them. These now at home, and especially all on horse details, are required to gather up these saddles, also Sharp's rifles, Colt's repeaters, and other cavalry arms and equipments, the property of the Confederate States, and bring them back into the service. All reasonable expenses incurred in this way will be repaid them.

I claim no right at present either to seize or impress these arms and equipments; but I confidently expect every heroic man, not in the field, to give them up. They ought to be ashamed, in a time like this to be seen with them.

RUFUS BARRINGER,
Brig Gen.

A NEW AND IMPORTANT FACT

IN REGARD TO

THE "SOUTHERN HEPATIC PILLS."

1. THEY ARE PREPARED FROM THE BEST quality of Medicine by the discoverer, now an aged Minister of the Gospel, and are safe.

2. They have been known for years and tested by thousands.

3. Five hundred persons are known to have been cured by them.

4. They are not recommended by the proprietor for everything, but only for diseases which arise from disordered livers.

5. Directions and certificates accompany each box and these certificates are from well known and most respectable individuals. &c.,

6. Correspondents recommend them as good for Liver Disease, Chills and Fever, Pneumonia, Jaundice, Dyspepsia, Bilious Fevers, Bilious Rheumatism, Worms, Pleurisy, Bronchitis, &c.

7. Several gentlemen state that the sale of these Pills has been to them an annual saving of from $100 to $200; they are the best plantation medicine ever offered to the public.

8. Some Physicians of the highest standing prescribe them to their patients, and hundreds of boxes have been sold to regular practitioners.

9. During the last quarter 2,500 unsolicited trade visits to Druggists, one in South Carolina, and one in North Carolina—and since then ago over 3,000 boxes were ordered by Druggists in one town in Virginia.

Price, $1 a box. For $10 a dozen boxes will be sent to any address. A very liberal discount to Druggists and country merchants. Cash (new currency) to accompany orders.
